## Summer is STEMtastic!

National Summer Learning Day is a celebration of summer learning programs

Please join us June 21 in Sacramento for a Summer Matters rally on the North Capitol steps beginning at 10:00am, followed by science, technology, engineering and math (STEM) student activities on the Capitol lawn. Picnic lunch begins at noon.

Participants include State Superintendent Tom Torlakson, students, teachers, education officials, policymakers and more.

Please RSVP to Beth Zygielbaum at [beth@partnerforchildren.org](mailto:beth@partnerforchildren.org) or 510.830.4200 x1602
